Re: Centennial Project  
C/007/019  
Response to Task 2766

*J. Littig*  
C/007/0019  
TASK ID #2820

Dear Ms. Littig and Mr Hedberg:

Enclosed are 6 each copies of the response to the Task 2677. These are the "stand-alone" deficiencies cited by Priscilla Burton as part of the latest GVH amendment. These deficiencies involve cleaning up the lease acreage summary, and the air quality approval order.

Please note that I have taken this opportunity to update all of Chapter 1, and in particular the Ownership and Control section (now included as Appendix 1, Part 1), the Current and Previous Coal Mining Permits section (now included as Appendix 1, Part 2), and the Violation Information (now included as Appendix 1, Part 3). Appendix 1 is a new appendix specifically devoted to Chapter 1 issues, and consolidates some of the previous material that was scattered throughout several unrelated appendices. These changes are defined in the attached C2 form. At such time as these changes are approved and ready for incorporation I would like to assist the Division staff in updating the MRP in order to eliminate any confusion with the new arrangement.

If you have questions or comments please contact me at 435-888-4017.

Sincerely,

Dave Shaver  
Resident Agent

## Application for Permit Processing Detailed Schedule of Changes to the MRP

Title of Application: Response to Task 2766

Permit Number: C/007/019

Mine: Centennial Project

Permittee: ANDALEX RESOURCES

Provide a detailed listing of all changes to the mining and reclamation plan which will be required as a result of this proposed permit application. Individually list all maps and drawings which are to be added, replaced, or removed from the plan. Include changes of the table of contents, section of the plan, pages, or other information as needed to specifically locate, identify and revise the existing mining and reclamation plan. Include page, section and drawing numbers as part of the description.
